WORLD'S POULTRY CONGRESS
JULY 13-17, 2026 | TORONTO

WORLD'S POULTRY CONGRESS TORONTO 2026

Dear WPSA Partner,

On behalf of the Canada, USA, and Mexico branches of the World's Poultry Science Association, we invite you to the World's Poultry Congress held July 13-17, 2026, in Toronto, one of the most diverse cities in the world.

WPC draws more than 3,000 guests from around the world, covering all aspects of poultry production. Experts, scientists, researchers, production specialists and more will gather to share the most recent discoveries and engage in networking opportunities.

For our partners this is an immense opportunity to increase and leverage your visibility in the industry. Joining as a sponsor now provides you three key advantages:

- **Multi-year visibility:** your company will be visible in all our communications through 2026.
- **Payment flexibility:** your contribution can be split across multiple budget years, providing you with additional flexibility in structuring a sponsor commitment.
- **Discounted sponsorship packages:** Earn up to a 20% discount by committing to sponsor WPC 2026 by the end of 2024 and making an initial payment toward that commitment.

We are excited to see you in Toronto, and we thank you and all of our corporate partners for making Toronto 2026 a huge success for the global poultry industry.
